I very sincerely thank God for his divine care and blessings throughout the year.

I am very pleased to be able to give you a glimpse of our school. We are a caring, energetic and vibrant school; our students and staff are all highly motivated and justly proud of B.R.B Model School.

The late Lala Bakhat Ram Batra Educational Trust runs B.R.B. Model school which is on my father's name Late Shri Lala Bakhat Ram Batra who was my sole inspiration behind the establishment of this school. It was his view to work like a lamp in the darkness.

Our core values of Creativity, Achievement, Respect and Excellence are reflected in our teaching and learning, our high standards and our school environment.

We believe in providing equal for every student and empowering them to achieve their full potential.

It is a special community of students, staff and parents working together to achieve the best possible all-round results for each and every student every year.

As a truly inclusive school, we aim to ensure

that the unique potential of each and every student is fully realised. Support and guidance are individually planned to the highest standard in full partnership with parents and carers.

Sport caters for students at all levels and B.R.B management has gone a step further in facilitating its students by providing an indoor swimming pool, an Audi Badminton court, a hall for conference and for activities as per the C.B.S.E norms.

We are just as proud of the fact that every pupil, of every age, every size and every level of ability, will be encouraged to take part in whatever sport takes their fancy.

We are trying to give our students all the facilities for an overall growth of a student. Let us join hands and march together for our children to imbibe the best of life.

Thank You

SHRI SUBHASH BATRA

Chairperson & Director

M.Sc., M.A (Gold Medalist in Economics)

Dear Students,

Welcome to BRB Model School Budaun,

The start of a new academic year is always an exciting and energizing time.

We aim to provide the education that explores and strengthens the potential that is innate in every individual but is awaiting an expression. In order to do so, we seek to provide an environment that enriches the intellectual, spiritual, emotional & physical development of the pupil in an atmosphere that is happy & nurturing.

We at BRB, keenly support the pivotal, proactive role that an educational organization plays in the holistic development of children. Children acquire skills and knowledge easily if they find the surroundings stimulating and purposeful.

School is a society in miniature where students are prepared for life.

During your child's time here, we hope you will come to regard the school as your school and that your family's involvement with the school will always be positive.

I'll conclude by what Martin Luther King had stated once – "Through Education we seek to change the attitudes" – and we are trying to imbibe this motto into our regime.

Thank you.

S. S. RATHORE
Principal

Dear Parents,

It gives me immense pleasure to welcome the new session with open & clear hearts. BRB has always been striving to impart quality education. As our upbringing is directly proportional to the richness of thoughts and that is again proportional to the valued education that one receives.

The world around us is into a phase of metamorphosis & that too at a high speed. What is required now is that we meet the challenges and leap the hurdles.

The BRBians have always held the motto of creating human beings, who would carve a niche for themselves with progress of the society and nation as well. Our superb teams of staff are fully committed to the education of the whole child and offer a rich, varied and engaging curriculum and extra-curricular experience that is second to none.

As a truly inclusive school, we aim to ensure that the unique potential of each and every student is fully realised. Support and guidance are individually planned to the highest standard in full partnership with the parents and carers.

I extend my wishes to all the parents/guardians who put their unflinching faith in us, by getting connected with us. We promise to cater better with the changing times.

Thank you.

VIJAYA SHARMA
Vice Principal

BRB School is an extremely caring and supportive school. The level of care, guidance and support given to students is exemplary.

1. ABOUT THE SCHOOL

B.R.B Model School, located on Bareilly, Budaun Highway.

It's an exclusively English Medium School, setting new standards of education. Mr. Subhash Batra founded B.R.B Model School in 2001 with a sole aim of spreading the light of education.

We endeavour to deliver the highest quality learning experiences both in and outside of the classroom.

It is a co – educational school from Pre – Nursery to Senior Secondary level. The school is affiliated to CBSE, New Delhi (Affiliation No. 2130987). The school has an ideal location in the area with a healthy locality and has extensive grounds, We are the only school in region to facilitate the students with international standard swimming pool, badminton court and multi purpose auditorium.

2. INFRASTRUCTURE

BRB boasts an illustrious infrastructure apart from ventilated classrooms and sports field. It has two computer labs, Internet facility during school hours, science lab, music room, smart classes for creative study & sports complex with modern amenities.

3. TIE-UPS

BRB has tie ups with many educational groups like NIIT, EDUCOMP, and ENCYCLOPEDIA for library purposes.

4. PHILOSOPHY AND ETHOS

BRB – Marching towards Excellence, is what our spirit is charged with. Our mind and soul are entwined to create the best out of our students. We adhere to the idea of 'All Round Development'. BRB till date & in the times to come will support any & every idea, plan & innovation that would lead BRB to better and stronger heights.

“The school is the harvest that costs most, but which yields more fruits, for the conduct of one's whole life depends on the education one has received.”

5. AIMS OF THE SCHOOL

- The school aims at developing the all round personality of the child in a climate of freedom and personality responsibility.

- It strives to make learning a joyful experience of discovery and creative thinking. It seeks to institutionalize the pursuit of national goals of justice, equality, liberty and unity through appropriate teaching and learning techniques. It seeks to promote social integration through the merging of children belonging to different religion and social backgrounds.
- The School inculcates the value of dignity of labor and community service as an integral part of education.

6. ADMISSIONS

- Admissions are usually held in April for the next academic year for which registrations should be done on the prescribed form before the end of January.
- Candidates seeking admission to lower Nursery should complete 3½ years as on 31st March. Birth certificate should be produced from the Nagar.
- There will be an interaction between parents along with their child with the Principal. Admission will be based on the result of the entire action depending on the number of seats available in the respective class.
- Parents / Guardians of the short-listed candidates for admission are required to fill up a prescribed Admission Form and submit it duly signed to the office. No admission Form is issued to take home. Parents / Guardians should present a Transfer Certificate of their wards from the last school attended.
- Admission to classes I to XII will depend on the number of seats vacant in each class and qualifying written test.

7. FACILITIES AND RESOURCES

- BRB boasts a fleet of buses and Magic for exquisite transportation facilities within Badaun as well as places nearby. Reaching BRB, for the students is very easy and comfortable.
- We have a library endowed with the best books including course related and leisure reading by world-renowned authors. Our library enhances the students, quality of knowledge.
- BRB supports hygienic environment, hence has RO vocational & educational filtered drinking water on every floor for the students.

- The school facilitates various activities, sports, arts, tours to develop an all round development among the students.
- Smart class facilities are provided to facilitate with audio visual & 3D techniques.

8. ENGAGING WITH PARENTS

- PARENT TEACHER MEETING (PTM) is usually held after FA's and SA's and parents are notified through messages on cell phone beforehand. Parents / Guardians are requested to make use of this opportunity to meet the teachers to discuss the progress of their children.
- These meetings are contact meetings because the teachers and parents are together involved in the all round development of the child. There are occasions for the parents to let the teachers know that they are not merely paying fees but they also appreciate the efforts of the staff and their hard work towards their child.
- As far as possible all the requests to meet the teachers to discuss the courses or anything pertaining to the studies should be kept for PTM. In emergencies the Principal's prior permission is required to meet the staff.

9. STAFFING / LEARNING AND TEACHING

- BRB insists on having the best faculty for various subjects. Our staff boasts for their subjective and class co-ordination abilities. Our forward thinking and creative staff teach to a high standard using modern technologies in a school that prides itself on a traditional approach to behaviour and discipline. They are trained to various classroom activities, so as to inculcate the changing pattern of education. The staff adheres to the school aims and objectives, and trains the students likewise.
- Every student has a unique quality and this is what our staff tries dig out of our children. "Education is a fire that always tries to spread out embracing all". Gone are the days when we studied with a rule of 'chalk and talk' – but now, the life, its arrangements have changed. So to cope up with the changing educational patterns and life we now work on more practical teaching i.e. our SMART – CLASS sphere.

10. BEHAVIORS AND DISCIPLINE

BRB strives to have an utmost disciplined atmosphere. Our principal and staff take priority in this sector. Any behavioral discrepancy is strictly dealt with. We are social animals and none of us can live isolated as an island. Our behavior and discipline makes us able citizens, and sets a foundation stone for the future generations. Hence it's imperative to have excellent behavior and discipline parameters.

11. VALUE BASED CURRICULAM

To help children develop holistically, the value based curriculum is incorporated in our syllabus. We strive to help children learn how to play cooperatively, develop a sense of responsibility for self and others, and resolve conflicts peacefully. BRB values diversity by acknowledging, discussing and celebrating differences among us. Today parents demand a curriculum that prepares their children to be a productive citizen in the society. Through play, our students learn the meaning of values and how the values are exemplified through their actions, behavior and choices.

12. CURRICULUM PLANNING

A good understanding of curriculum planning is essential for good teaching. An over arching plan is an important way to make sure that our students do not lose track of what matters most in a particular unit of study. Our sensible curriculum planning brings focus to teaching, and also makes it easier to figure out, what activities, projects and lessons we do each day.

13. SCHOOL TRIPS AND VISITS

School trips and visits are primarily to participate and gain knowledge away from the four walls of the classrooms. Teacher – student relationship enhances on such trips. BRB conducts tours to places where our students learn the real world in a manner that is not possible in a classroom. Through these trips and visits we try to raise standards and improve pupil's personal, social and emotional development.

14. CHARGING FOR SCHOOL ACTIVITIES

While heading with the time, as stated earlier, we strive to make our student's computer savvy, as well as facilitate our students in various other fields like sports, art, music etc. BRB brings in trainers to help its students excel in different fields. For which parents / guardians have to boost the moral of ones child and help the school by depositing the extra charge other than the fees, for the same. These charges are not for the benefit of the school, and are mandatory for each and every student.

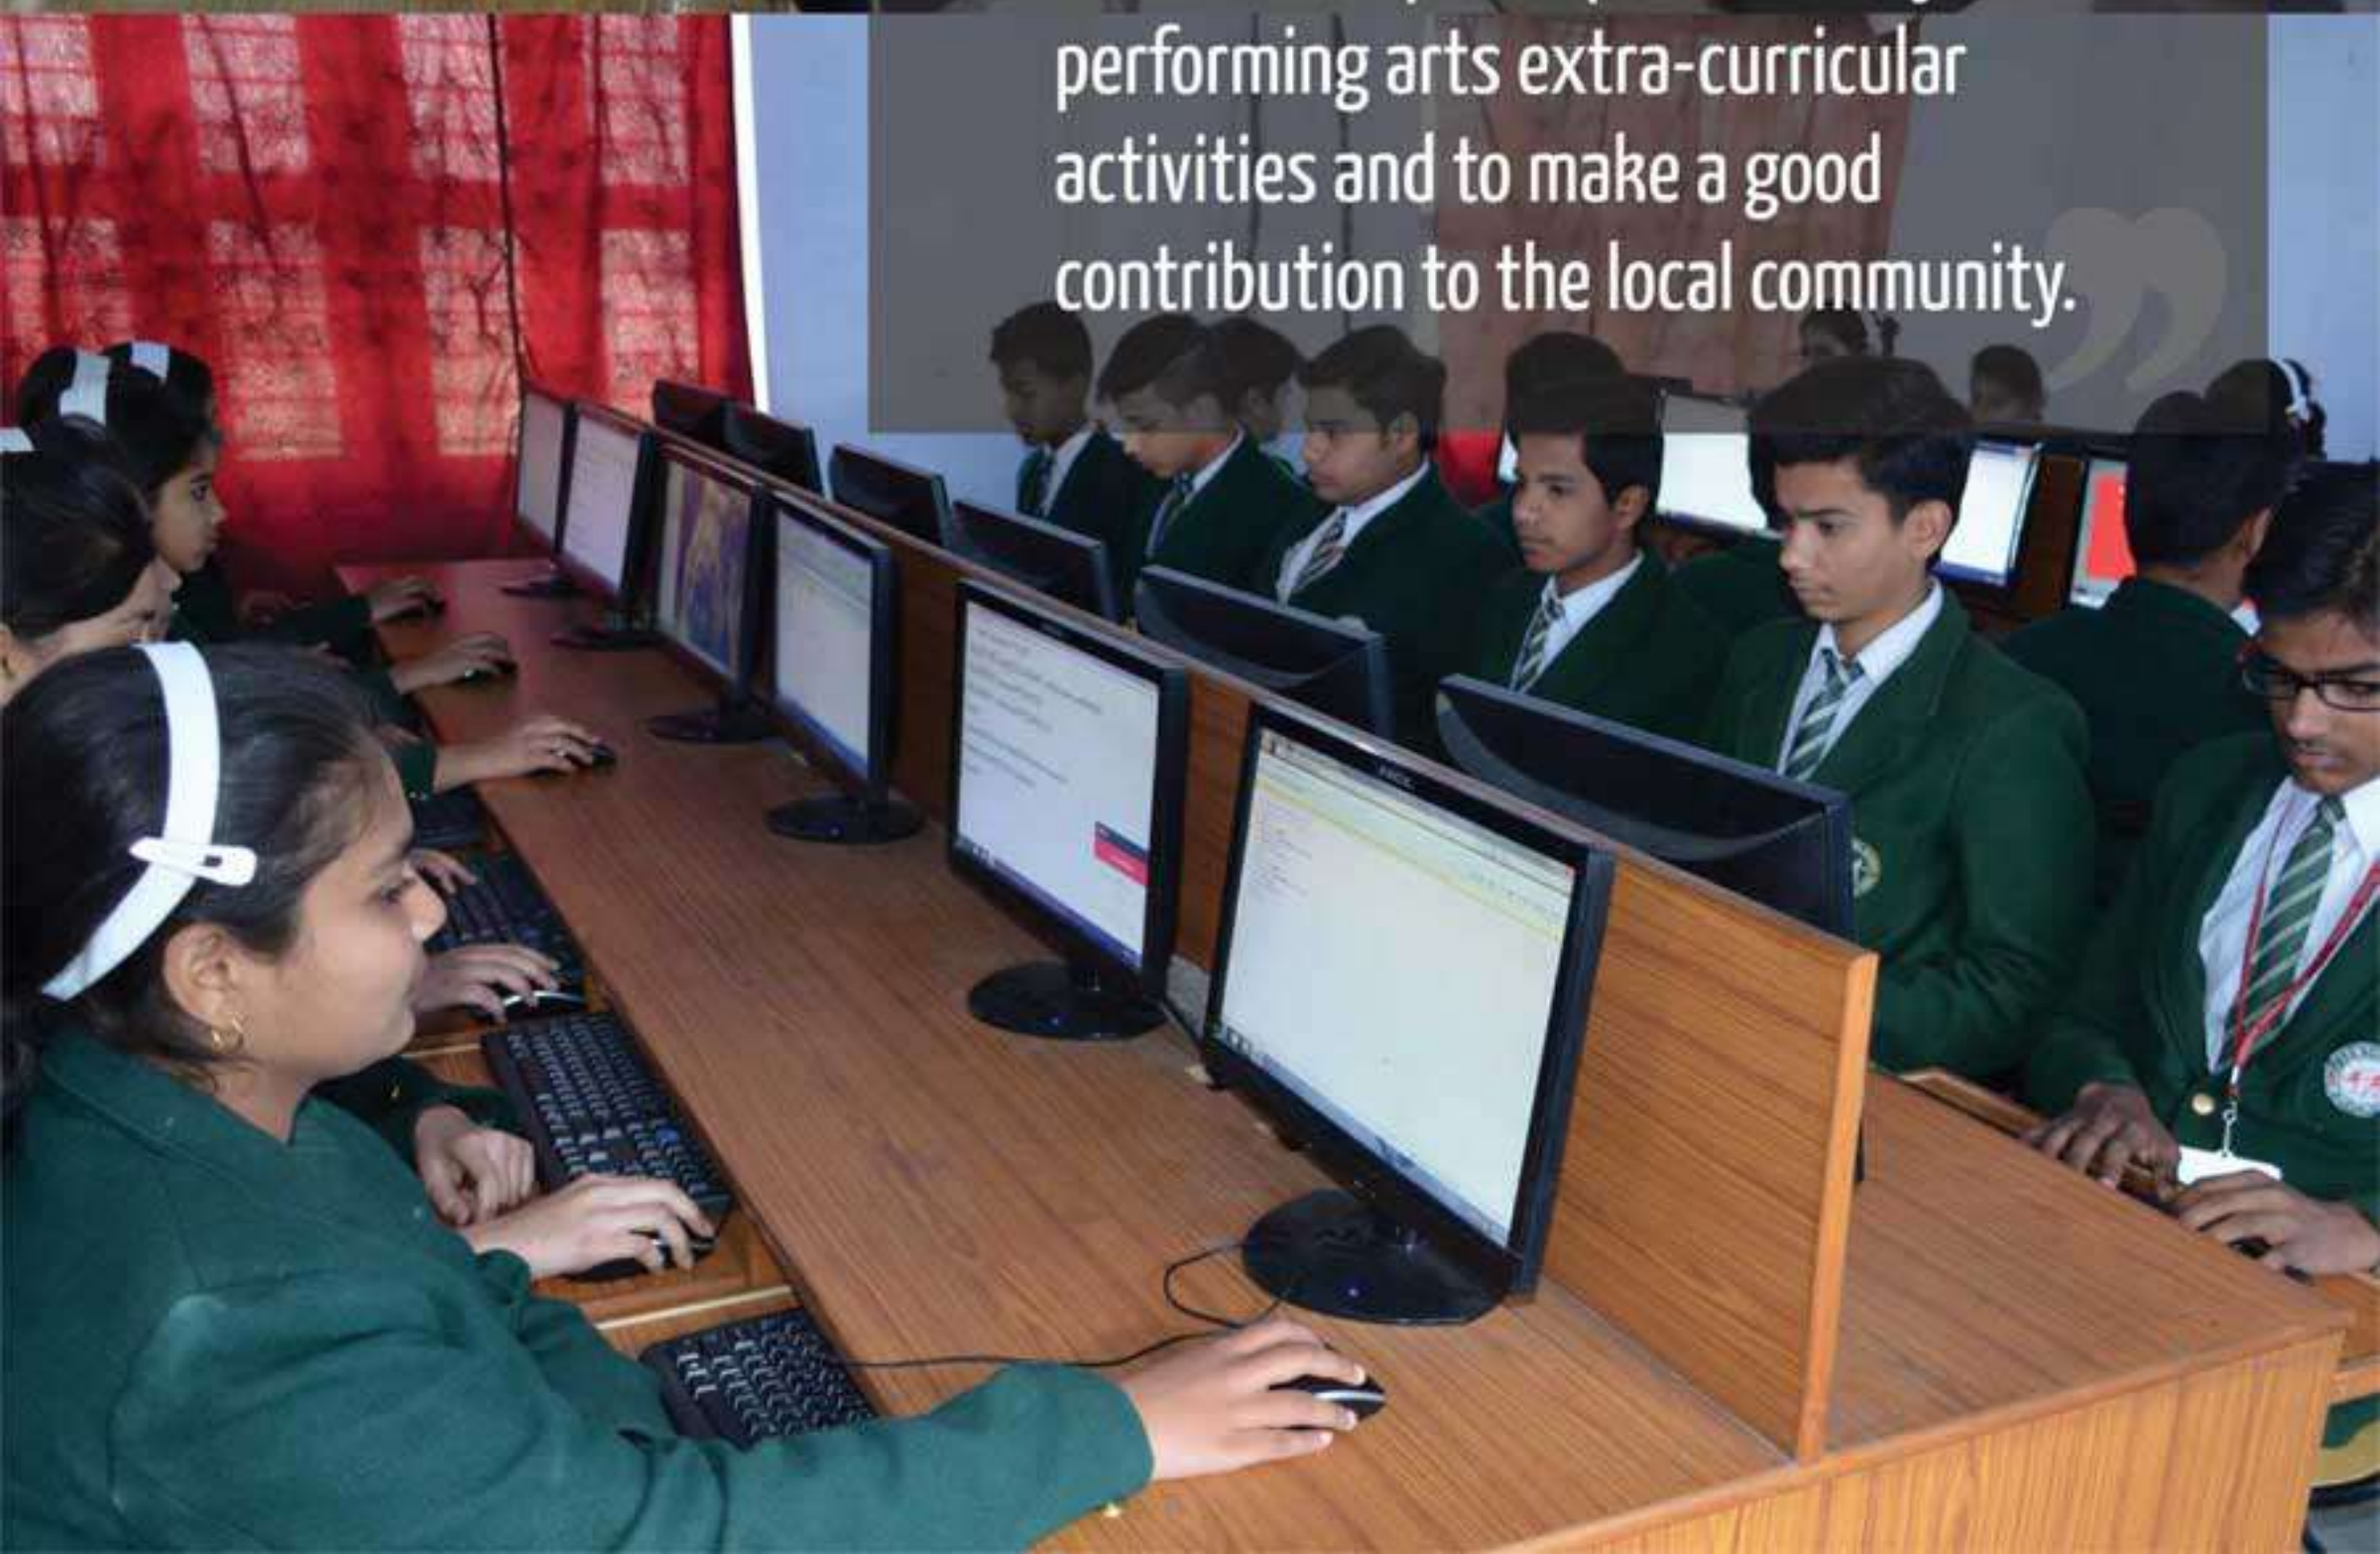

15. GENERAL INFORMATION, ATTENDANCE / ABSENCE

- No leave of absence for the full day or a part thereof is granted except on previous written application and only for serious reasons. Absence without leave is liable to punishment at the discretion of the principal. All leave and absence should be recorded in the school diary.
- Repeated absence for seven calendar days without notification renders the students liable to dismissal.
- The student on returning to school must have the leave note signed by the parent / guardian in leave and absence record without which, the student will not be allowed to attend the class.
- A minimum of 75% attendance is required for promotion. The student should be on time to the school for the morning assembly. Disciplinary action will be taken against the late comers.
- A student who returns to the school after a contagious or infectious disease should produce a Doctor's certificate of fitness permitting him / her to attend the school.
- All students are expected to attend school on the reopening day after vacation. No one is allowed to leave for vacation earlier than the closing day without prior permission of the principal.

The excellent opportunities afforded by the school's specialism enable students to participate in many performing arts extra-curricular activities and to make a good contribution to the local community.

1. THE JOURNEY OF DISCOVERY

A toddler lives in a world of fantasy. Before they are exposed to the complexities and rigors of life. BRB nurtures their dreams by creating a protective and pleasant environment thus helping the children to explore and unwind their inquisitiveness of the surrounding world in a most subtle manner. This enables them to have sound physical and mental growth.

“BRB assures that every toddler is well taken care of with a wide range of innovative and interactive environment, in this way the child adapts to the fast changing world – and learns while playing.”

2. WHY BRB MODEL SCHOOL?

BRB Model School endeavors to impart quality and value based education in the best possible way in tune with the global standards to cater to the needs of our nation in general and society in particular.

BRB supports its student to be profound and divergent thinker with original ideas. Emphasizing on all round development of the personality of the student so as to enable a strong individual ready to undertake bigger challenges and responsibilities as a functional citizen.

Eternally learning and excelling with the belief that the best way is which satisfies our student's aspirations to face future challenges and to prove an asset for the society.

3. OUR VISION AND VALUES

Things don't change; you change your way of looking and mould things yourself accordingly. The art of life lies in constant readjustment to your surroundings, BRB aims at developing the all round personality of a child in a climate of freedom and personal responsibility.

“BRB urges the students to be always cheerful and run like giants in the way of perfection, so as to please the Lord.”

4. THE NURSERY: FIRST STEP OVER THE THRESHOLD

Since school is a child's maiden tryst with reality. For this reason BRB has conceptualized, to stimulate the initial dormant feedings and emotions into a meaningful creative urge in the child at an age so tender. Thus enabling them to learn, understand and reproduce by building their confidence in a most conducive environment.

“Future belongs to those who believe in the beauty of their dreams.”

“Students enjoy being at the school for many reasons, including the freedom and independence that the sixth form gives them and the new accommodation providing a good learning environment.”

Students are enthusiastic
and extremely engaged.

5. LEARNING NEW SKILLS

Ushering into the modern time and yet into a phase of fast and innovative life. BRB has equipped itself with many skills be it sports or academics. Our institution is proud of its junior swimming pool, which is a steady attraction for the students from the last couple of years. Apart from this the Basket Ball Court yet makes the students agile and alert while at play.

Music and Dance makes them aware of another soft and subtle phase of life. Not only do they learn about the synchronization but develop a love for refined music. Craft work, visit to parks, interactive videos and many more such activities inculcate a new mind set and a healthy viewpoint to life.

6. LEARNING TO BE CREATIVE

Keeping in view their maiden venture in the world of education, it becomes our moral obligation and duty to design such a curriculum that can be easily digested and assimilated so that learning becomes more subtle and interesting, for this reason we create general awareness through many innovative methods like activity oriented comprehensive teaching aids such as flash cards, colour concepts, innovative lesson plans and weekly creative assignments, comprehensive art and craft work.

7. LEARNING TO STAY HEALTHY

Health is a synonym to a better future. Our kids should be made aware of it. Junk food may be appealing but it's far from being nutritious. Our school stresses hard on inculcate the habit of eating healthy food. Hence, stress is laid on homemade food. BRB celebrates days with the name of fruits and vegetables – another creative way of getting tuned with the words and its varieties of dishes.

8. LEARNING ABOUT LIFE

BRB tries to incorporate the fact that development is a continuous process and for the overall development of a child, we need to understand that just imparting bookish knowledge should not be the sole aim; we need to nurture students very carefully, making them morally and ethically strong. So keeping this in mind for our primary students who actually are like wet clay and very impressionable. Our approach is child – centered encouraging activity-based learning.

“ **WHEN SKILL AND LOVE WORK TOGETHER, EXCEPT A MASTERPIECE.** ”

As a result, we mould the character of our students to instill in them the moral values, to inflame them with high ideals, to equip them to face the challenges of life.

9. STRIVING FOR EXCELLENCE

Our institution has a long standing tradition, its own ethos and its specific goals. Education is a loving and arduous process of methodical and personal forming of mind and heart of each child to bring out the best in him/her. We have been offering our students a peaceful environment that nurtures this delicate process.

Our institution's main focus is its students and their over all development.

“Your vision will become clear only when you look into your heart. Who looks outside, dreams. Who looks inside awakens. - Carl Jung”

10. FELICITATIONS TAKING THE WORLD IN OUR STRIDE

It is a moment of felicitation to announce that BRB Model School, Badaun, is all geared up for yet another feather to its cap. The school is soon launching its long, much awaited dream of an – “Indoor International court for volley ball, Basket ball and Badminton, an Olympic size swimming pool, Auditorium, Music room, to conduct all its sports and academic workshops and seminars. The venue would be a U.P. game hub according to CBSE norms and one of a kind in the region”.

BRB is looking forward for a brighter and illustrious future.

The BRB management and staff thank God for his blessings bestowed on us. And also unstinted love and cooperation of parents / guardians, friends and students which is goading us to give our best.

Towards Excellence, Towards better future .

11. OUR TOPPERS 2014-2015

“The Heights by great men reached and kept were not attained by sudden flight, but they, while their companions slept, they were toiling upwards in the night.” – Henry Wadsworth Longfellow

It draws immense inspiration from the above lines and we wish to share them with all the students striving for success. Always remember the truth of life that nothing comes easy and hard work never goes unrewarded. BRB and its teachers are the winds who direct the sails together hand in hand with students we win the race. Our sincere wishes to all the toppers, with blessing to cherish life and add meaning to the motto of the school – **MARCHING TOWARDS EXCELLENCE**

BRB Management, Principal & Staff

“The good teaching and curriculum have contributed well to students’ good achievement.”
